

Premier Mobile-Tyre & Battery Fitting Service

**Unit A
GDS Building
Lancaster Road
Shrewsbury
SY1 3LG**

2nd November 2010

Andy Durkin has been a Mobi-tyre supplier for mobile phones for the last few years. Not only does he supply phones for our Head Office staff but also for each of our 17 Franchisees across the UK.

The level of service we have received from Andy has been absolutely unbelievable and he has always gone out of his way to help us and all our Franchisees from connecting their new mobile numbers to setting up emails on their blackberry.

I would recommend Andy to any private customer, business customer literally anyone who uses a mobile phone as Andy definitely ticks all the right boxes for customer satisfaction and service.

Thank you Andy for all your help and continued support, we look forward to many more years of business to come.

Brian & Crissy
