

Salop Design & Engineering Ltd

Manufacturers of Pressings and Assemblies

13th February 08.

Clearstone Communication supplied 10 new numbers and 13 ports onto the Orange Network. The porting process went smoothly and we were assisted step by step by Andrew Durkin.

Clearstone also fitted 13 hands-free kits into 13 trucks for our sister company Salop Haulage.

We are more than happy to recommend Clearstone Communication as a mobile phone provider for all businesses and look for to renewing our contract in the future.
